DEDICATION 1973

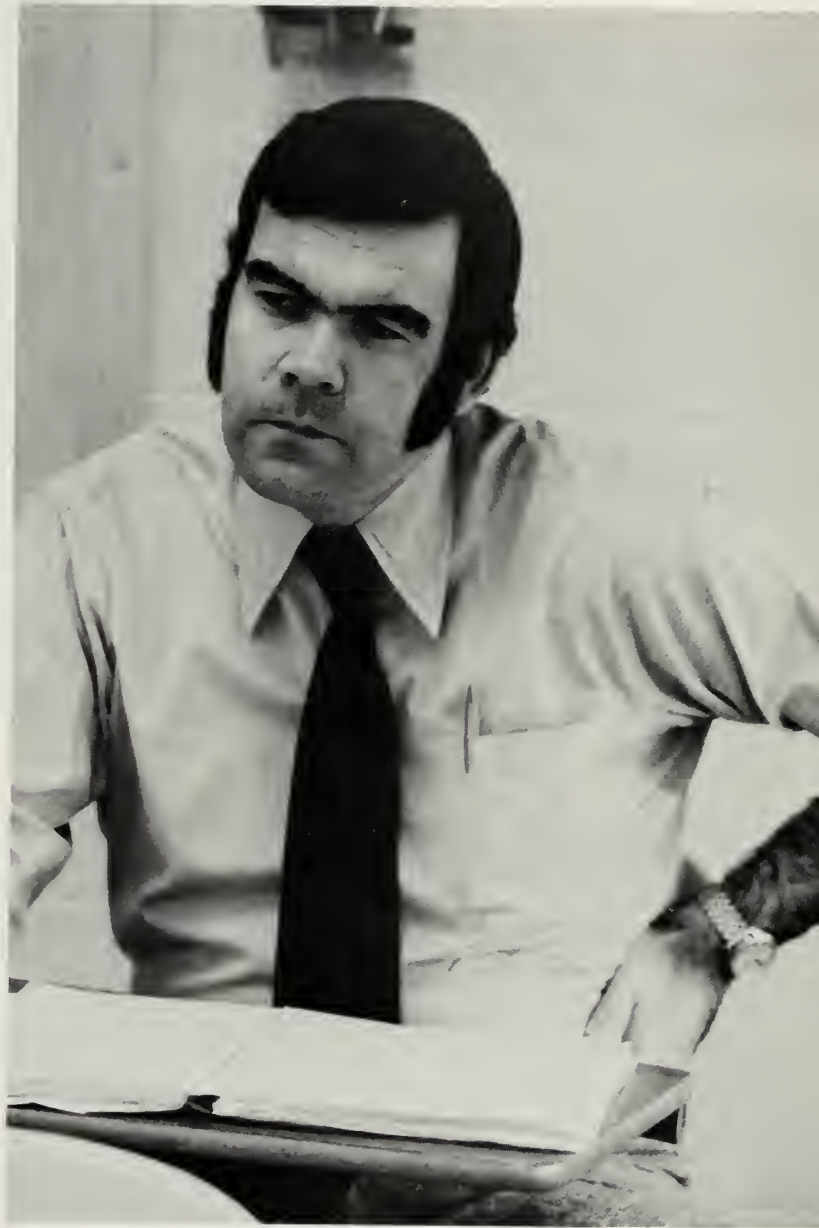

THE LION AND THE LAMB

Miss Denise Brescia and Mr. Edward Hupprich are completely opposite in temperament and appearance. The English Department and students of Marshfield High School are fortunate in having this diversity. Each gives his individual talents to the student body.

With her fresh approach to teaching, Miss Brescia encourages students to adopt a new outlook in English. To her, teaching expresses a philosophy of life. She seems to feel that we are all people, working together to learn.

Not all of our teachers are as gentle as the lamb, however; we also have our lions. And one of the lions is our favorite, Mr. Hupprich. Besides being an English teacher who GETS THINGS DONE, Mr. Hupprich is both irreplaceable and indestructible.

We, the class of 1973, wish to dedicate this yearbook to the lion and the lamb.

In Memoriam

Brian Gaughan

When someone enjoys
life and lives
every moment the
way that was
meant to be

The *only* sorrow
in his leaving

is that the trail
of his own experiences
is ended.

His living can not be
forgotten.

The love he gave us
remains.

National Honor Society

Twice a year the Faculty Council of the National Honor Society elects students to membership in the society. Election is based upon the four characteristics of scholarship, leadership, character and service. After they are elected, new students are formally accepted at a banquet meeting to which parents and guests are invited.

The Society also serves a function as a school club. In this capacity, students raise money for an annual scholarship, prepare the student handbook, assist in tutoring and participate in special projects such as Christmas parties for the elderly.

The Equinox

The EQUINOX is a student publication which appears four to six times per year. The staff solicits and writes news items and articles which center upon school life and school-community events. Feature articles on topics of interest to high school students, from astrology to politics, are included when possible.

The newspaper provides in a limited way a very real journalistic experience to the interested student. Staff members have opportunities to edit, arrange, prepare copy and make-ups as well as report. Plans for the future include improving the basic mimeo format as student interest and population increase.

Student Librarians

Student Librarians help out in the Library by checking books out at the desk, keeping the many magazines in order, aiding their fellow students to locate material, replacing books on the correct shelves, sending over-due notices, and with the many other details involved in the operation of a busy Library.

Membership is open to any interested student with at least three hours a week to serve, and the Club usually conducts one money-raising project, such as a second-hand book fair, plus a year's end social get-together.

Members this year are:

Cathy Bartlett, President
 Debby Jackson, Treasurer
 Cindy Bartlett, Secretary
 Chuck Bohm, V.P. and Student Gov. Rep.

Also: Cathy Franzosa, Cindy Peterson, Joe Rivard, Diana Dunkley, Michelle Francy, Debbie Hutchinson, Mary Bonfanti, Terry Crowell, Judy Brilliant, Jane Crowell, Vickie Corse, and Donna Bertino.

Junior-Senior Prom

The 1972 junior-senior prom was held on May 13 at the White Cliffs in Manomet. The room was beautifully decorated by the prom committee, making the atmosphere perfect. The band that was engaged for the occasion was the Second Society from the Surf in Nantasket, and everyone agreed that they put out a fine performance. The procedure of choosing the queen and her court was a different one from that of previous proms. Mrs. Erickson, Mrs. Romeo, and Mrs. Flammia chose the girls instead of having the class vote because voting has in the past turned out to be a popularity contest. The junior class last year felt that everyone should have an equal chance and that having impartial judges was the best way. The queen and her court were as follows: Fourth Runner Up — Debbie Carlson, Third Runner Up — Kim Southworth, Second Runner Up — Mary Ellen Capps, First Runner Up — Gail Gilmore, and Queen — Stephanie Healey, who was crowned by last year's queen, Nancy McGurty.

School Fair

On Friday, May 12, 1972 the Annual All-School Fair was held. It drew a record breaking crowd as well as greater participation by both students and faculty than in the past. Mr. Jackson, as chairman of the fair, felt the evening was indeed a success.

Various departments participated. Competitive displays were held in the home economics, industrial arts, and arts and crafts departments. Highlights were an Elizabethan coffee house, complete with refreshments and entertainment, a paper airplane contest held by Mr. Peterson and his aviation students, a sale of recycled books by Student Librarians, as well as exhibits and experiments by the foreign language, social studies, and science departments.

All in all it was an informative and entertaining evening for all ages.

Football

The Marshfield High Football team, after chalking up an 8-1 season in the South Shore League, switched this year to the powerful Old Colony League. Not to be denied, the Rams posted a 6-2-1 record good for a third place finish, dispelling all doubts as to their right to be in the league. Impressive wins over Hingham, Silver Lake, Abington, Rockland, Randolph, and Scituate, and a tie with Bridgewater highlighted a great season. The Rams lost only to Plymouth and Whitman, the two teams that ended up league co-champions. Great line play, the running of Steve Williams, and a tough defense led by Kevin Kelley, all contributed to the team's success. Tackle Mike Anderson was named all-league, all-South Shore, and all-state to conclude the season. Coaches DiGravio, Roper, Henderson, Pearce, and Mucci, cameraman Steve Boczanowski, and Athletic Director Jim Anderson all played prominent roles in the teams' success.
